For 2026, Simpra Advantage - H4091 received the following Star Ratings from Medicare:

Overall Star Rating:	Not enough data available*
Health Services Rating:	Not enough data available
Drug Services Rating:	★★★★☆

**Some plans do not have enough data to rate performance.*

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
