Simpra Advantage (PPO I-SNP)
Simpra Advantage Premier (PPO I-SNP)
Simpra Advantage (PPO D-SNP)

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-637-4770 (TTY 1-833-312-0044).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit Simpra.com or call 1-844-637-4770 (TTY 1-833-312-0044) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- For D-SNP enrollees only:** This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- For I-SNP enrollees only:** This plan is an institutional special needs plan (I-SNP). Your ability to enroll will be based on verification that you, for 90 days or longer, have had or are expected to need the level of services provided in a skilled nursing facility, a nursing facility, an intermediate care facility for individuals with intellectual and developmental disabilities, a psychiatric hospital or unit, a rehabilitation hospital or unit, a long-term care hospital, a swing-bed hospital, or a facility approved by CMS that furnishes similar services.
