Section 1.1 Changes to the Monthly Premium

Cost	2018 (this year)	2019 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium.)	\$30.60	\$31.40

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2018 (this year)	2019 (next year)
In-network maximum out-of-pocket amount Your costs for covered medical services (such as copays) and deductibles count toward your in-network maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$6,700	\$6,700 Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services from network providers, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the calendar year.

Section 1.3 Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at www.simpra.com. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2019 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Section 1.5 Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your 2019 *Evidence of Coverage*.

Section 1.6 Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
 - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

Simpra Advantage (PPO SNP)
Annual Notice of Changes for 2019

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2019, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. This means if you are taking the brand name drug that is being replaced by the new generic (or the tier or restriction on the brand name drug changes), you will no longer always get notice of the change 60 days before we make it or get a 60-day refill of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Also, starting in 2019, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60, days before we make the change. Or we will give you a 30 day, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 8.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*, available online at www.simpra.com.)

Changes to the Deductible Stage

Stage	2018 (this year)	2019 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your drugs until you have reached the yearly deductible.	The deductible is \$405.	The deductible is \$415.

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

Stage	2018 (this year)	2019 (next year)
Stage 2: Initial Coverage Stage Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply for mail-order prescriptions, look in Chapter 6, Section 5 of your Evidence of Coverage.	Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing: 25% coinsurance _____ Once your total drug costs have reached \$3,750, you will move to the next stage (the Coverage Gap Stage).	Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing: 25% coinsurance _____ Once your total drug costs have reached \$3,820, you will move to the next stage (the Coverage Gap Stage).

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 If you want to stay in Simpra Advantage (PPO SNP)

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2019.

Section 2.2 If you want to change plans

We hope to keep you as a member next year but if you want to change for 2019 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- --OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2019*, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click "Find health & drug plans." **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

Step 2: Change your coverage

- **To change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Simpra Advantage (PPO SNP).
- **To change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Simpra Advantage (PPO SNP).
- **To change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
 - – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

You can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Alabama, the SHIP is called Alabama State Health Insurance Assistance Program (SHIP).

Alabama State Health Insurance Assistance Program (SHIP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Alabama State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Alabama State Health Insurance Assistance Program (SHIP) at 1-800-243-5463 . You can learn more about Alabama State Health Insurance Assistance Program (SHIP) by visiting their website (<http://www.alabamaageline.gov>).

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
